HOW GRANT MONEY IS SPLIT BETWEEN DOMESTIC AND INTERNATIONAL PROGRAMS

ISSUE AREAS RED NOSE DAY FUNDS SUPPORT

SAFE
We help protect vulnerable children from violence, abuse and exploitation. ‘Children on the Move’ are a core focus of this area of work, including refugee and migrant children, homeless and street-connected children, and children impacted by natural disasters.

HEALTHY
We provide resources to improve children’s health by investing in programs that deliver quality health care services, nutrition and access to life-saving vaccines.

EDUCATED
We expand access to quality education and equip children and young people to succeed at key milestones in the educational pipeline from birth through young adulthood.

EMPOWERED
We ensure that children have opportunities to develop as leaders in their communities, advocate for their rights, have increased access to economic mobility and greater agency in shaping their futures.
Empowered is a new pillar launched in 2020.

Underpinning these pillars is an intersectional focus on gender equity, racial equity, building resilience in communities and centering the voices of the most impacted populations in our strategy and program selection.
HOW MONEY RAISED THROUGH RED NOSE DAY MAKES AN IMPACT

Money raised through Red Nose Day goes into Comic Relief US's Red Nose Day Fund.

The Fund issues grants to trusted nonprofit partners, our Grantee Partners, to support targeted programs making a difference for children and young people across the US and around the world.

Comic Relief US's Grants team works closely with our Grantee Partners, and monitors the grants to make sure that programs are effective.

Grants support programs that address both the immediate needs of children living in poverty and foster long-term change — to break the cycle of poverty and change the story for good.

RED NOSE DAY GRANTEE PARTNERS

Between 2015-2020, Red Nose Day funds have supported 166 grants across 48 grantee Partners.
